

JSA Fee Schedule

1. Application Fee \$100.00 – one time fee for new students
2. Registration Fee \$500.00 – one time fee for new students
3. Monthly Student Fees *Based on Parent Fundraising Commitment:*

Parents *active* in Fundraising: \$300.00
Parent's *not-active* in Fundraising: \$600.00

Fees are the same regardless of Full-Time, Part-Time or Clinic enrollment.

NOTE: Mandatory Fundraising Effort by all parents.

JSA requires mandatory efforts for all parents to be involved in supporting school fundraising efforts. The non-active student fee will be required of all parents who fail to meet JSA fundraising requirements.

4. Tuition** Based on pay scale of teacher(s) hired
5. Initial Assessment \$200.00
6. Deposit \$1,500.00

Please note that all fees are non-refundable.

- **JSA enrollment is not contractual but based on a good faith agreement to enroll students for the academic year August – July.**
- **If parents withdraw students prior to July, the deposit will be forfeited.**
- **If parents comply with enrollment through July, deposit will be applied towards last month's fees and tuition payments.**

JSA reserves the right to update fee schedule as needed and all parents, regardless of enrollment date, will be required to comply with all requirements.

Special Education Therapy/Tuition

Full-Time B.C.a.B.A. Teacher/Therapist -	\$25,000 - \$35,000* average
Consultants (PH.D and B.C.B.A.) -	\$75-\$100/hr* average
Testing (Behavioral/Cognitive/IQ) -	Based on need of student

IEP Directed:

These rates can be more/less based on each student's skill level and the number of hours required for 1-1 direct instruction with both B.C.a.B.A./B.C.B.A. and consultant involvement. Usually a combination of these certified teachers and consultants are used along with student teachers who are in training to become certified and gain a B.C.a.B.A. certificate. At JSA, parents only pay for the consulting services used to use financial resources effectively.

Teaching Certifications for Professionals in Autism:

Certification is obtained through a State and National Applied Behavior Program.

Teaching Intern – Student teacher currently getting a bachelor's degree and working under a B.C.B.A. to get approved to sit for the B.C.a.B.A. certification test.

B.C.a.B.A. – Board Certified Associate Behavior Analyst must have a Bachelor's Degree and pass a National Certification for Applied Behavior Analysis.

B.C.B.A. – Board Certified Behavior Analyst – Must have a Master's Degree and pass a National Certification for Applied Behavior Analysis.

Ph.D. – Doctor of Education usually with specialty in Applied Behavior Analysis and certified as a B.C.B.A.
