# APRIL IS AUTISM AWARENESS MONTH

Jacksonville School for Autism (JSA) is a 501(c)(3) not-for-profit school dedicated to helping children with autism achieve a solid foundation for learning and communication. Children with autism deserve the opportunity to learn in a safe and caring environment. JSA offers a comprehensive, individualized, one-to-one direct instruction utilizing the principles of applied behavioral analysis.

1 IN 50 CHILDREN HAVE AUTISM

1 IN 140 CANNOT SPEAK

Children with autism can learn to socialize, communicate, and become valuable members of society. Each child with autism is unique with his/her own educational profile that needs to be addressed. While many schools focus on a single modality of education, we believe that an integrated approach can provide a more comprehensive educational curriculum.

Together, we can make a difference! Join JSA in helping children improve their odds of defeating autism!
