What is the Legacy Circle

The Jacksonville School for Autism Legacy Circle Naming Opportunity allows individuals, families, or organizations to make a lasting contribution by naming a specific space, program, or initiative within the school. This opportunity honors the donor's legacy while directly supporting JSA's mission to provide exceptional education, therapeutic services, and life skills training for individuals with autism. Naming opportunities reflect a donor's commitment to empowering students and ensuring the sustainability of the school's impactful programs for years to come.

It is up to us to live up to the legacy that was left for us, and to leave a legacy that is worthy of our children and of future generations." - Christine Gregoire
